By deleting the amendatory language of SECTION 6 and substituting instead the following:

Upon receipt of a specimen forwarded to the director's office for analysis, and the "toxicology request for examination" form which shall indicate whether or not a breath alcohol test has been administered and the results of any such test, the director of the Tennessee bureau of investigation shall have the specimen examined for alcohol concentration, the presence of narcotic or other drugs, or for both alcohol or drugs, if requested by the arresting officer, county medical examiner, or any district attorney general.
